PROFILE

Industrial & Production Engineering undergraduate at SUST (4th semester) who leads campus outreach for start-ups, education programmes and competitions. Turns outreach into measurable results, from 23 workshop registrations secured by referral to new app installs for an early-stage product. Experienced in leading business-case teams and presenting under pressure. Fluent in English and professional in Bangla. Aiming for a career in operations and campus-led growth, combining lean practice, data-driven decisions and AI tools. Available for a full three-month commitment.

EDUCATION

B.Sc. in Industrial & Production Engineering *Expected 2029*
Shahjalal University of Science and Technology (SUST), Sylhet | 4th Semester

Higher Secondary Certificate (Science) *2024*
Dhaka College, Dhaka | GPA 5.00 / 5.00 | Government Merit Scholarship

Secondary School Certificate (Science) *2022*
Shamsul Hoque Khan School & College, Dhaka | GPA 5.00 / 5.00 | Government Merit Scholarship

LEADERSHIP & EXPERIENCE

Campus Hero | Programming Hero
Dhaka-based programming education platform

- Selected as a Campus Hero to represent Programming Hero's learning programmes on campus, connecting peers with practical, project-based coding education.
- Promote courses and community activities among students, building an active learner network across SUST.
- Relay student questions and feedback to the team to strengthen the learning experience.

Founding Ambassador | Jaatra, Dhaka's first transit application

- Lead campus representation for an early-stage transit start-up, owning product presentation, user adoption and go-to-market outreach at SUST.
- Run demonstrations and awareness campaigns across student networks, converting outreach into new app installs and active users.
- Coordinate campus marketing with the central team and channel user feedback into product positioning.

Campus Ambassador | Genius Park One Education Solution

- Represent an abroad education consultancy at SUST, connecting students with study-abroad guidance and growing campus visibility.

Campus Ambassador | Bangla Innovator
Innovation Olympiad, National Olympiad & Business Start-up Competition

- Manage registration and student outreach for national-level olympiads and business start-up competitions, mobilising students across campus.

Campus Executive | SUST Team, ILC Season 2

- Led campus recruitment and designed the outreach strategy, strengthening SUST's participation pipeline through structured delegation.

PROJECTS

Supply Chain Management Research: RMG Sector *Academic Project, IPE, SUST*

- Analysed supply-chain structures, lead times and bottlenecks in the ready-made garments industry, identifying process-improvement opportunities.

Solar Powered Vehicle *Group Project, SHKSC*

- Co-designed and assembled a working solar-powered vehicle prototype as part of a team, presented at Science Fair 2021.

Historical Analysis of the Evolution of Neural Science *Group Project, Dhaka College*

- Researched the development of neuroscience through a literature-based study and presented the findings to faculty and peers.

COMPETITIONS

ExcelMania 1.0 | RUET IPE Club *1st Runner-Up*

- Competed in an advanced Excel competition, building data analysis skills from basic to advanced Excel.

Business Case | Dacoit of Excellence 3.0, JnUCC *Team Leader*

- Led the team through the business case, directing product sourcing, marketing and market analysis, and delivering a data-backed presentation.

Business Case | IPESPHERE, SUST *Team Leader*

- Led team strategy and the final presentation, covering business model, supply-chain and unit-economics analysis.

Idea Innovation | INNOVISTA, GDN SUST *Finalist*

- Reached the final round as a solo participant, applying ideation, materials analysis and presentation skills under pressure.

Beyond the Metrics | IUT

- Prepared the project display and wall magazine submission.

EXTRACURRICULAR ACTIVITIES

Executive Member | Kaizen SUST

- Drive continuous improvement and student engagement in productivity. Organised SkillForge 1.0, a data science session and CAD workshop, securing 23 registrations through direct referral.

Executive Member | Sports SUST

- Managed on-ground operations for a charity tournament, coordinating volunteers and match-day logistics.

Volunteer | IPESPHERE Season 2 & TEDx SUST

- Supported event management, sponsorship outreach, guest coordination and registration for two flagship campus events.

Former Executive | Dhaka College Science Club

- Led the project showcase of the Intra Science Festival 2023, secured sponsorships and invitations, and mentored junior members.

Former Executive | Science Club, Shamsul Hoque Khan School & College

- Organised intra-school science events and project displays, guiding junior members in experiments and presentations.
